- 2.2 GMI will grant the Professional Client access to engage in online, real-time investment trading facilities via the Platform

with GMI on the terms of this Agreement. All Contracts will, unless otherwise agreed, be executed using the Platform.

- 2.3 The Professional Client will be entitled to trade any of the products supported for trading by GMI on the Platform as set out on the Website from time to time, subject to the trading limits imposed on the Professional Client by GMI from time to time, and provided that GMI or the Professional Client is not prohibited by law or regulation from doing so. GMI is not obliged to enter into a Contract with the Professional Client and if GMI declined to enter into a Contract, it shall use its reasonable endeavours to notify the Professional Client but shall not be obliged to provide a reason.
- 2.4 All Contracts will be entered into on an execution-only basis and GMI will not make any recommendation to the Professional Client, advise the Professional Client on the merits of any Contract or assess the suitability of any Contract for the Professional Client. GMI is entitled to assume that the Professional Client has sufficient experience and knowledge to understand the risk involved in each Contract it enters into. Notwithstanding the foregoing, GMI has provided to the Professional Client guidance on and warnings about the risks associated with the Contracts, as furthermore highlighted on the Website.

- 2.6.2 You will be exempt from compensation protection under the FSCS scheme,
- 2.6.3 It will be assumed that you possess the necessary level of experience, knowledge and expertise in order to understand the inherent risks associated with these particular investments, products, services and associated transactions for which you have been classified as a Professional Client; The Markets in Financial Instruments Directive impose detailed requirements on financial promotions directed at retail clients, however promotions directed at professional clients are simply subject to the

high level requirement that they are fair, clear and not misleading.

- 2.7 Each Contract will be executed between GMI and the Professional Client as principals.

3 MARGIN BASED TRADING OPERATIONS

- 3.1 The Professional Client shall be required to provide and maintain Margin to support its trading operations on the Platform.
- 3.2 The Professional Client acknowledges and accepts that GMI operates with an automated risk monitoring and Margin call facility designed to monitor the overall Margin Requirements of the Professional Client in support of the Professional Client's trading operations. Using this automated risk monitoring and Margin call facility, GMI shall require initial and maintenance Margin of the type and amount and within the timeframes as stated from time to time on the Website. GMI reserves the right to adjust these Margin Requirements at any time. The information concerning Margin Requirements available on the Website shall be binding on the Professional Client as if it has been set out in full in this Agreement.
- 3.3 The Professional Client agrees that it is responsible for ensuring that sufficient Margin is maintained at all times with GMI in support of the Professional Client's trading operations. - 3.4 Any Margin provided by the Professional Client shall be transferred to such account of GMI designated by GMI for Margin of this type and all right, title and interest to such Margin shall be transferred to GMI and will remain the property of GMI until the earlier of:
- 3.4.1 The Margin Balance exceeds GMI's Margin Requirements as provided on the Website, whereby GMI can Transfer to the Professional Client Equivalent Margin to Professional Client with a Value determined in GMI's sole discretion equal to the excess or otherwise in accordance with the terms laid out on the Website; or
- 3.4.2 The Professional Client no longer has any outstanding Contracts and the Parties have agreed that no further trading shall take place on the Platform, provided that GMI does not have any actual or contingent claim against the Professional Client under this Agreement, the ISDA Master Agreement or otherwise, whereby GMI shall Transfer to the Professional Client an amount of Equivalent Margin with a Value equal to the Margin Balance.
- 3.5 The amount and timing of Transfers of interest, or distributions due to the Professional Client on the Margin Balance shall be as agreed between the Parties from time to time.
- 3.6 The Professional Client agrees that all right, title and interest in and to any Margin Transferred to GMI shall vest in GMI free and

clear of any liens, claims, charges or encumbrances or any other interest of the Professional Client or any third person.

3.7 Nothing in this Agreement is intended to create or does create in favour of either Party any mortgage, charge, lien, pledge, encumbrance or other security interest in any cash or other property transferred by one Party to the other Party under the terms of this Agreement.

3.8 In order to ensure (i) the Professional Client's compliance with its requirements to provide and maintain Margin; and (ii) that settlement of Contracts can be effected, GMI may require that the Professional Client maintains assets or funds in one or several Professional Client Accounts, and Professional Client hereby authorises GMI to establish any such required Professional Client Account(s).

3.9 Professional Client grants permission to GMI to access the Professional Client's funds and assets in any Professional Client Account (subject to the limitations set forth herein) to the extent that the Professional Client is required to Transfer Margin to GMI in support of its trading operations, or GMI is entitled to receipt of payment or delivery from the Professional Client in respect of any Contract or otherwise under this Agreement or the ISDA Master Agreement (including any fees and expenses or other charges in connection therewith). The amount of funds and/or assets required to be maintained by the Professional Client in the Professional Client Accounts at any time shall be set out on the Website or as otherwise communicated by GMI.

4 TRADING ACCOUNT AND MARGINING

4.1 General

4.1.1 The Professional Client shall deliver to, and maintain with GMI cash equal to or greater than the Margin Requirement (hereafter a "Margin Delivery") as notified to the Professional Client by GMI from time to time by publication on the Website or otherwise.

4.1.2 If, at any time the Margin Balance exceeds the Margin Requirements, GMI may, at the Professional Client's request, return Equivalent Margin equal to the excess to the Professional Client (hereafter a "Margin Return").

4.1.3 The Professional Client shall be under an obligation to monitor and maintain its Margin Requirements with GMI at all times, nevertheless, GMI shall where reasonably practicable notify the Professional Client of any Margin Delivery on each Business Day.

4.1.4 The Professional Client may from time to time, upon consent from GMI not to be unreasonably withheld, substitute Margin with Equivalent Margin, provided that GMI received Equivalent Margin before it provides the Margin to the Professional Client.

4.1.5 GMI shall pay to the Professional Client such interest or distributions due on the Margin Balance as agreed between the Parties.

4.1.6 GMI shall calculate the Margin Requirement and the Margin Balance in good faith and in a commercially reasonable manner. All calculations and determinations by GMI shall be binding in the absence of manifest error.

5 GMI'S INTEREST IN TRADING ACCOUNT ASSETS

5.1 GMI shall have the right, title and interest in and to the cash in the Professional Client Account free and clear of any liens, claims, charges or encumbrances or any other interest of the Professional Client and any third person. Each transfer of cash from the Professional Client to GMI for the purpose of trading shall be made so as to continue or result in a valid and legally effective transfer of the Professional Client's legal and beneficial title to GMI.

5.2 Nothing in this Agreement is intended to create or does create in favour of either Party any mortgage, charge, lien, pledge, encumbrance, or other security interest in any cash transferred by one Party to the other Party under the terms of this Agreement.

5.3 The Professional Client represents to GMI (which representation shall be deemed to be repeated on each day in which any Margin Balance in outstanding) that it is the sole owner of or otherwise has the right to transfer all cash it transfers to GMI under the Agreement, free and clear of any security interest, lien, encumbrance, or other restriction.

5.4 If there is an Event of Default or this Agreement terminates, GMI may set-off or otherwise apply any cash held in or payable to the Professional Client Account, including without limitation the Margin Balance, which is owed to the Professional Client against any Obligations.

5.5 The Professional Client will remain liable for any amounts remaining unpaid by it after any application of this Section 5. GMI will transfer to the Professional Client any Equivalent Margin after any actual or contingent claim against the Professional Client under this Agreement (including, without limitation, this Section 5) the ISDA Master Agreement or otherwise.

5.6 For the purpose of any set-off or calculation in accordance with this Section 5, GMI may convert an obligation on one currency to another at a market rate reasonably determined by it.

5.7 In addition and without prejudice to any other rights to which GMI may be entitled to under this Agreement, GMI shall have a general lien on all cash in the Professional Client Account until all Obligations are satisfied.

5.8 The Professional Client agrees that GMI may, to the extent that any Margin constitutes "financial collateral" and this Agreement and the Professional Client's obligations hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purpose of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) (hereafter the "Regulations"), free of any adverse interest of the Professional Client or any other person, grant a security interest over the Margin to cover any of GMI's

obligations to a broker or market, including obligations owed by virtue of the positions held by GMI or other clients of GMI.

- 5.9 To the extent that any Margin constitutes “financial collateral” and this Agreement and the Professional Client’s Obligations hereunder constitute “security financial collateral arrangement” under the Regulations, GMI shall have the right to appropriate all or any part of such financial collateral in or towards the discharge of the Obligations.

6 CLIENT MONEY AND ASSETS

- 6.1 In accordance with CASS 7.2, client money rules, the Professional Client transfers full ownership (“Title Transfer of Collateral”) of any cash which it provides to GMI for the purpose of securing or covering the Professional Client’s obligations under this Agreement. As a result, such cash will not be held in accordance with the FCA’s client money rules.
- 6.2 Furthermore, the Professional Client understands that the title transfer collateral agreement will only be terminated through the termination of your entire client account agreement with GMI or in the event that GMI otherwise considers and agrees to a new policy to incorporate a client request as detailed within the client money rules.

7 TERMINATION AND CLOSE-OUT NETTING OF CONTRACTS

- 7.4 On the occurrence of an Event of Default by the Professional Client, GMI may, by notice to the Professional Client specify a date for the termination and liquidation of the Contracts (hereafter the “Liquidation Date”) save that on the occurrence of an Event of Default which is an Act of Insolvency, the occurrence of the Act of Insolvency shall automatically constitute a Liquidation Date without GMI being required to give notice of such. On the Liquidation Date:

- 7.1.1 Neither Party shall be obliged to make any further payments or deliveries under any Contract which would, but for this Section 7, have fallen due on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount as furthermore defined below;
- 7.1.2 GMI shall, or as soon as reasonably practicable thereafter, determine in respect of each Contract its total loss or gain, in each case, in the base Currency (and, if appropriate, including any loss of bargain, cost of funding or without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination pursuant to this Agreement of each payment or delivery which would otherwise have been required to have been made under each Contract (having due regard to, if appropriate, such market quotations published on, or official statement processes set by, a relevant exchange or clearing organisation as may be available on, or immediately preceding, the date of calculation);

- 7.1.3 For the purpose of Section 7.1.2, GMI may convert amounts denominated in any currency other than the Base Currency into the Base Currency at such rate prevailing at the time of the calculation as GMI shall reasonably select;

- 7.1.4 GMI shall treat each cost or loss to the Professional Client as a positive amount to GMI, and each gain/profit by the Professional Client as a negative amount to GMI. These positive and negative amounts are aggregated to produce a single net positive or negative amount, denominated in the Base Currency (hereafter the “Liquidation Amount”);

- 7.1.5 If the Liquidation Amount is a positive amount, the Professional Client shall pay it to GMI and if it is a negative amount, GMI shall pay it to the Professional Client. GMI shall notify the Professional Client of the Liquidation Amount, and to which party it is payable, immediately after the calculation of such amount.

- 7.5 This Section 7 applies to each Contract entered into or outstanding between the Parties on or after the date of this Agreement

8 TRADE EXECUTION

- 8.1 By executing this Agreement, the Professional Client agrees to GMI’s Best Execution Policy as set out on its Website, and to GMI entering into Contracts outside a regulated market or multilateral trading facility (each as defined in Directive 2004/39/ EC). The Professional Client acknowledges that to the extent it provides GMI with specific instructions in relation to the execution of a Contract. GMI may not be able to comply with its Best Execution Policy.
- 8.2 GMI may combine instructions for Contracts with the Professional Client with instructions for Contracts with other clients. For this purpose, GMI must reasonably believe that such aggregation is in the Professional Client’s best interests. However, aggregation may, on occasion, work to the Professional Client’s disadvantage.
- 8.3 In the event of communications failure or other related problems that prohibit the normal execution of trades using the Platform, the Parties agree to accept trade execution instructions via the telephone. All telephone calls made to and by GMI will be recorded by GMI, and the Professional Client

confirms that it operates a similar procedure at the premises of the Professional Client.
